ANNOUNCEMENT

The eleven bulls and seventy-one cows and heifers, forty of the cows with calves at side, are representative of the best class of Scotch pedigree Shorthorns now obtainable in Great Britain. They have recently undergone a very trying quarantine period of hot weather and flies and do not show at their best by any means, so I am sure they will improve wonderfully in the hands of new owners. In making this importation of Shorthorns to the United States I have had uppermost in my mind the class of Shorthorns likely to prove profitable here in good herds or as foundations. I know how these cattle come and am confident of their success.

I will sell this lot of cattle under the conditions of the Form of Guarantee endorsed by the Board of Directors of the American Shorthorn Breeders' Association.

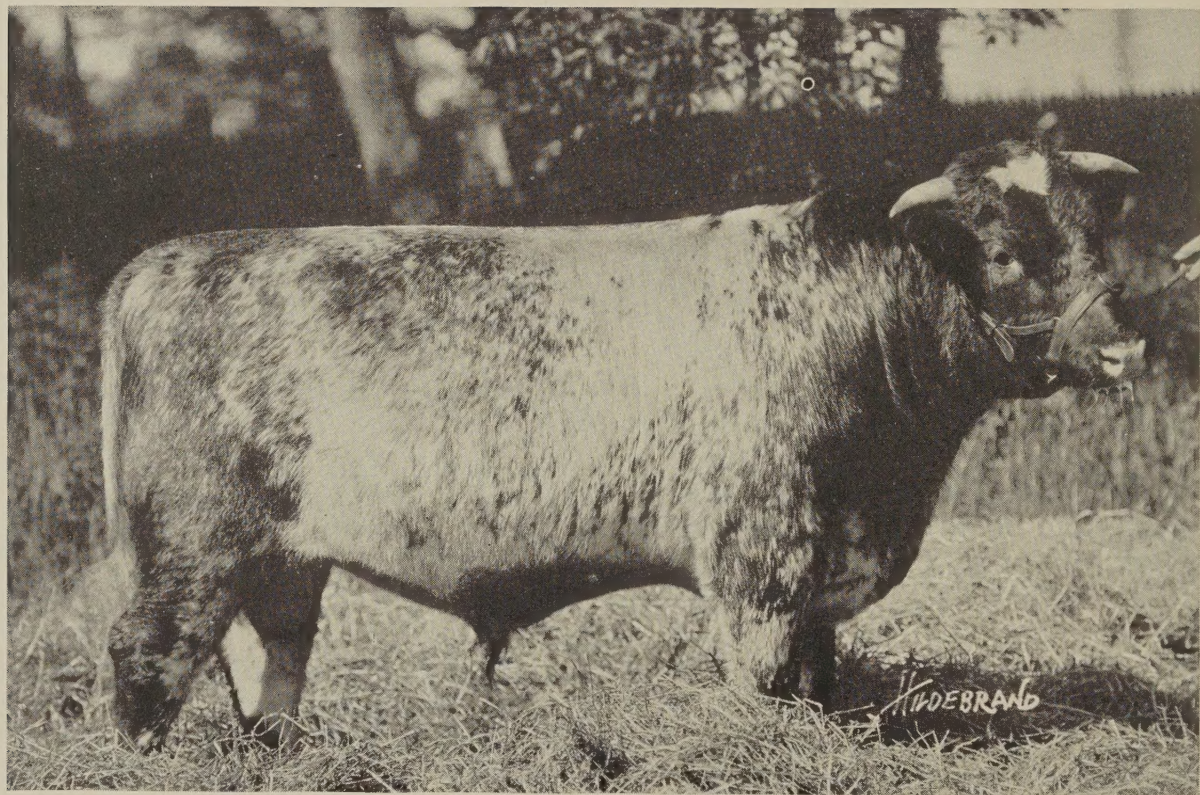

TERMS. As I am buying Shorthorns in the United States for export and pay cash, the terms of this sale are cash, or not exceeding sixty days' time on part of amount of purchase where parties are known to me or furnish satisfactory bank reference.

I will try to merit in every way your patronage.

Yours faithfully,

WILLIAM HARTNETT,
Stock Yard Inn, Chicago, Illinois.
